

## **Show Me What You Know World History Projects**

The purpose of the Show Me projects is for students to demonstrate knowledge of a current subject in World History class. These projects will require students to gather information and present the data as a visual project. The forms of project are listed below, and the topics for each are listed by quarter. Choose one form and one topic for your project.

### Project Forms

Collage – A collection of images about a central theme

Contrast/Comparison – analyze the differences and/or the similarities of two distinct subjects

Diorama – A three dimensional representation of a subject

Map – Image showing relationships in space and/or time

Newspaper – Series of articles regarding a place, a time, or a subject (8-10 articles)

Timeline – A visual representation of a series of events relevant to a theme (20 to 30 events)

### Grading

Grades for projects are related to:

Effort – The more the effort put in, the better the grade. Drawn by hand is better than printout.

Clarity and Accuracy – The more clear and accurate, the better the grade

Size/presentation – Smaller projects get smaller grades, larger projects get better grades
